Legislative and Transportation Update – Ross stated he had a legislative meeting last week, there was over 3,000 bills submitted, most they were going to have to get with the author to see their intent. He went over the following partial list pertaining to counties:

HB1146 Levy tax on surfaced mined materials

HB1339 Counties allowed to work with ambulance districts

HB1372 Exemption from gross production tax on abandon wells

SB73 Raises the cap on CIRB Fund to \$200 million – 2015 took \$50 million; 2017 took \$50 million; 2018 took \$130 million – 2020 added \$30 million and 2021 added \$20 million – still down \$180 million. Ross went over some spreadsheet from Randy Robinson and went over a structurally deficient bridge list

SB334 Raises the limit on public contracts that may be awarded without competitive bidding process from \$10,000.00 to \$25,000.00

SB402 Establishes minimum experience requirements for CDL instructors

SB772 Increases the value limits requirements for equipment inventory
