Chad Roach/Kolby Arnold with City of Cherokee to discuss and possible take action on cleaning canyon by the City Park by removing trees and hauling off trees. C. Roach started by stating behind the City Park there are lots of trees causing water restrictions and erosion. Ross asked if it was mainly tree removal and Johnson asked if they had contacted DEQ. C. Roach replied, yes tree removal and no he had not notified DEQ yet. M. Roach spoke up that it would be better before things started greening up, he stated he had some equipment in for repair and he could help as soon as it was fixed in two-three weeks. Johnson asked if they had a pit to put the trees in. C. Roach replied yes in the same area as they had buried trees from the ice storms. Arnold replied this would help with the 4th of July and other activities at the park. There was some more discussion on the tree removal and spraying stumps if the trees were cut down.
